## Parent Access & Viewing

In accordance with NSW child protection laws, only two party parents or guardians may access the downstairs gymnastics area during the event.

All other guest parents are welcome to watch from our mezzanine viewing area, which provides a full view of the gym floor.

We kindly ask that all families respect this policy. Our parties are carefully structured and coach-led, and the presence of multiple additional adults in the gymnastics area may disrupt the flow of activities, impact children's concentration, and interfere with supervision and safety protocols.

---

## Safety & Supervision

- All party guests must be signed in by a parent or guardian upon arrival
  - Children must wear comfortable clothing and be barefoot while participating in gymnastics activities
  - Our qualified coaches will supervise and lead all activities throughout the party
  - SXL Gymnastics maintains a strong commitment to child safety. In the event that a child's behaviour compromises their own safety, the safety of others, or significantly disrupts the running of the party, SXL reserves the right to remove the child from the gymnastics area
  - If this occurs, the designated party parents will be responsible for contacting the child's parent or guardian to arrange prompt collection
- 

## Cancellations & Rescheduling

- All deposits are non-refundable
  - Cancellations made less than 7 days prior to the event will be charged in full
